

Diapering

This poster is based on *Caring for Our Children, 3rd Edition*, a publication of the American Academy of Pediatrics, American Public Health Association, and the NRC for Health and Safety in Child Care and Early Education; created by CCA Global with guidance from the PA Chapter of the AAP.

1

Cover table surface with disposable paper.

Remove from containers and place on diapering surface **away from child's reach**:

- Wipes
- Clean diaper
- Dab of diapering cream on facial tissue [if needed]
- Plastic bag for soiled clothes [if needed]

Put on gloves [if using.]

2

Place child on diapering surface.
Always keep a hand on the child.

3

Remove bottom clothing including shoes & socks if feet cannot be kept from contacting soiled skin or surfaces. [If clothing is soiled, remove and place in plastic bag.]

4

Unfasten diaper but keep soiled diaper under child's bottom.

5

Lift child's legs and clean bottom from front to back. Use fresh wipe each time.

Put soiled wipes in soiled diaper. Then remove diaper and dispose in plastic-lined hands-free covered can.

Remove gloves.
Dispose in hands-free can.

Use separate fresh wipe on adult's and child's hands. Dispose in hands-free can.

If paper is soiled, fold clean side of paper back under child's bottom.

Put clean diaper under child's bottom.
[If using diaper cream, apply with facial tissue.]

Fasten diaper and redress child.

Wash child's hands at sink.*

Return child to supervised area.

Clean and Disinfect

- Dispose of changing table paper.
- If diapering surfaces are visibly soiled:
 - Wash surfaces with detergent, water and paper towels.
 - Rinse surfaces with water.]
- Wet all diapering surface with disinfectant solution.
- Leave solution on for required contact time.
- WASH HANDS***
 * Use of an alcohol-based hand sanitizer is OK for adults and children over 24 months.
- If diapering surface is wet after required contact time, dry with clean paper towel before next change.

Record in Daily Report form for family

- Time of diaper change
- Diaper contents
- Any problems such as loose stool, skin irritation, etc.
